

Dear Customer,

During the promotion, you have the opportunity to purchase selected apartments and parking spaces within the residential developments named *Le Jardin 1*, *Kassák Terrace*, *Park West 2*, and *Park West 3* at a discounted price, provided that at least one apartment and one parking space are purchased together. You can view the list of properties included in the promotion by [clicking here](#).

The promotion is valid from 24 July 2025 until withdrawn or until all promotional properties have been reserved, whichever occurs first (i.e., subject to availability).

Under the terms of the promotion, LIVING grants a single, fixed gross discount of 4% on the list price of both the apartment and the parking space, provided that the Buyer purchases at least one apartment and one parking space included in the promotion jointly, as a unit (legal entirety). This discount cannot be combined with any other promotion.

The Buyer may only purchase the properties jointly, as a unit (legal entirety), and their contractual rights shall be exercised accordingly.

Please note that the discounted price has been determined based on the lowest price applied during the 30 (thirty) days prior to the promotional period, thus complying with the requirement set out in Section 2/A (2) of Joint Decree No. 4/2009 (I. 30.) of the Ministry of National Development and Economy and the Ministry of Social Affairs and Labour.

Please also note that the discounted price is only available if the offer is requested via the living.hu website. Inquiries made through contracted real estate partners are not eligible for the promotional discount.
